Brian and Mason

Sharing and Stories around the Fire

Food, Beverages, and Fellowship

Music She Loved

Some of Her Favorite Food and Drink

Sharon was born March 6, 1963 in Phoenix, Arizona to Robert Edward Stockwell and Susan Lee Reed. Her family moved to Woodland, Wa. in 1975, where she graduated from Woodland High School. She returned to Phoenix, then moved back to Portland in 1991 and married Brian in 1995. Their son Mason was born in 1999.

Sharon loved gardening and cooking. For many years she raised and canned fruits and vegetables from her garden, and she was well known for her fabulous meals prepared with fresh, organic produce. She was an avid fitness and nutrition enthusiast and had planned to make a career in nutrition. She loved music, walking, camping, full moons, and the outdoors.

But Sharon's main occupation was as Mason's mother. She volunteered extensively at Childpeace Montessori, where Mason attended elementary and middle school. She was a team mom and scorekeeper at his baseball games, becoming an avid baseball fan in the process.

Sharon passed away peacefully in her home on Sunday, October 2nd, 2016, surrounded by friends and family. She fought a courageous two-year-long battle against cholangiocarcinoma, a rare cancer. She is survived by her adoring husband Brian, loving son Mason, and faithful brothers Michael and Loran (Troy) Stockwell.

Sharon made friends and touched lives wherever she went. She will be remembered for her sparkling laugh, her ability to be a true friend, and her tremendous strength, courage, and optimism in the face of her illness. She was taken from us far too soon, and she will be greatly missed by many. But her spirit lives on in the hearts of all who knew her and loved her.

Sharon's Spirit Lives on in Nature

Thanks to a group of her close friends, an Autumn Gold Ginkgo tree has been planted in Sharon's honor along the Rock Creek Trail. Most of her ashes have been scattered beneath its roots. The trailhead is near Evergreen Road and Aloclék Drive in Hillsboro. The map shows the tree's location and the nearest trailhead.

We are very pleased that anyone will have the ability to visit a living memorial of Sharon whenever they wish.

We would also like to purchase a memorial bench so that visitors can sit and view the tree. The bench costs \$2000. Contributions would be welcomed.
